ST. BLAISE

On **Monday, February 3**, feast of St. Blaise, there will be the blessing of the throats after the Mass.

St. Blaise was a native of Sebaste in Armenia and became bishop of his native city. He had to go into hiding to escape continual persecution, but was finally arrested, atrociously tortured and put to death, under Licinius in 316. His cult spread rapidly in both East and West and many cures were attributed to him, notably that of a child who was suffocating through a bone being caught in his throat. He is invoked for all throat afflictions and on his feast, two candles are blessed with a prayer that God will free from all such afflictions and every ill all those who receive the blessing in the Ritual, with these candles applied to their throat. St. Blaise is one of the Fourteen Holy Helpers.
