MARCH 1, 2020

STATEMENT OF CARDINAL COLLINS ON EUTHANASIA

Please pick up and study Cardinal Collins' letter on proposed government legislation to expand medicalized killing in Canada. Here is the first paragraph of this important letter:

"The federal government has introduced new legislation expanding the eligibility criteria for euthanasia. The inaccurate term, medical assistance in dying (MAiD), is currently used to describe what this law would allow, but this process is more accurately called euthanasia or assisted suicide. Pain medication and other resources and procedures can be used effectively to medically assist people who are dying, but that is not what MAiD means. It means giving a lethal injection to people who are not dying, so that they will die."

PAFE – PARENTS AS FIRST EDUCATORS

Parents have a responsibility to know what their children are being taught. There is a strong push to get a very non-scientific ideology called gender identity theory into schools. PAFE has ways to help protect your child against such propaganda. Go to <http://www.pafe.ca/no-git> for details.
