THE SYNOD ON SYNODALITY: SHARE YOUR THOUGHTS

Pope Francis has launched the Synod on Synodality, an ambitious two-year global process of listening to the faithful.

“Synod” comes from an ancient Greek word meaning “walking together on the road.” There have been many synods in the history of the Church, but these have traditionally been opportunities for bishops to come together to determine the path forward for the Church.

With the Synod on Synodality, Pope Francis is asking every Catholic to help discern what the Holy Spirit is telling us at this moment as the Church enters its third millennium.

The first phase of the Synod on Synodality will last through the first half of 2022 and will see the world’s faithful sharing their thoughts at a diocesan level. All those diocesan-level responses will be collected and summarized. Then the bishops of Canada will meet to discuss what they heard in their respective dioceses, followed by larger multinational meetings and, ultimately, culminating in a synod of bishops in the Vatican in 2023. Your participation is incredibly important for the success of the Synod on Synodality, so we kindly ask you to complete the survey: www.archtoronto.org/synodality

OUR LADY OF LOURDES

On February 11, 1858, Our Lady appeared to a 14 year old girl named Bernadette Soubirous. The oldest of six children of a poor family, Bernadette was often sick.

That day she went with her sister and a friend to collect wood. When they saw lots of wood across the river, the two girls ran across the river. While Bernadette was taking her shoes off in order to cross the river, she heard a rustling noise and looked up to the cave where she saw a beautiful lady in a lovely white dress holding a rosary. This was the first of 18 appearances of Our Lady to Bernadette. Mary asked Bernadette to pray the rosary, do penance, and pray for sinners.

On February 25, 1858, Our Lady told Bernadette to drink the water. She pointed to a trickle of water nearby. Bernadette could only get a few drops; there was more mud than water. Bernadette started scraping the ground until she found enough water to drink. People saw this and laughed at Bernadette. Soon miracles started to happen with this water. A spring developed. People would wash themselves with the water and take home bottles filled with the water. To this day the spring continues to produce water.

Each year six million people journey to the Grotto of Massabielle, Lourdes, France seeking for physical and spiritual solace. For more information go to the website: www.lourdes-france.org
