ORATORY SUMMER SCHOOL

July 3 – 7: Catechism of the Catholic Church

July 10 – 14: The Life, writings and Legacy of Joseph Ratzinger, (Benedict XVI)

Joseph Ratzinger was a major participant in the renewal of theology that preceded the Second Vatican Council, was profoundly involved in the Council itself as a theological adviser, and was subsequently increasingly influential in the very heart of the ecclesiastical hierarchy. Ratzinger's life and thought are therefore indispensable as contributions to the authentic interpretation of Catholic faith and practice in the present time. Accordingly, we hope that the second week of Summer School this year will be an occasion for a renewed examination of the strengths and weaknesses, the fruits and the controversies, of this immensely consequential period in the history of the Church.

FEAST OF ST PHILIP NERI

Saint Philip Neri was born in Florence in 1515. From a very early age, he was attracted to virtue, and was awakened to the love of God through the Dominicans at San Marco. In his late teens, he was sent by his family to live with an uncle in San

Germano near the Benedictine Abbey of Monte Cassino, with the understanding that he would become heir to his uncle's business and great wealth. But, through prayer, Philip soon discovered that earthly riches could never satisfy his heart. So he renounced the inheritance and left San Germano for Rome.

Once in Rome, Philip lived as a layman for nearly twenty years. He was given room and board in a family home in exchange for tutoring the children. This gave him much free time to learn about God and to speak familiarly about Him to people of all walks of life. For a time, Philip attended lectures in theology given by the Augustinians; but his deepest lessons about God came through prayer. It was while he was praying in the catacombs of St Sebastian on the feast of Pentecost in 1544, that the Holy Spirit descended into him as a ball of fire and lodged in his heart. From this time onwards, Philip always felt his heart to be dilated and filled with a great heat. (After his death, an autopsy revealed that his heart had in fact been enlarged and that two of his ribs were broken to make room for it.)

While still a layman, Philip encouraged the people of Rome to raise their minds and hearts to God. He effectively organized works of charity such as the care of the sick, and lodging and feeding pilgrims who came to Rome. Because of his humility, Philip did not aspire to the priesthood, but in obedience he submitted to his confessor's wishes and was ordained in 1551.

As a priest, Philip was able to win more souls for God through the confessional. Soon, the informal discourses on the Word of God, which took place in his room, developed into daily sermons in a small chapel which he had built for the purpose. This chapel, called an Oratory, would eventually lend its name to the community of priests who, under Philip, devoted themselves to this apostolate.

Philip's humility and total dedication of himself to God could not remain hidden for long. Stories abound of the Saint's wisdom, insight, and holiness as he brought people from all walks of life closer to God.

Philip died on 26 May 1595 and his canonization was in 1622.

Please join with the Fathers and Brothers of the Oratory as we celebrate the feast day of our holy Founder, St. Philip Neri. First Vespers of St Philip will be sung at Holy Family Church on Thursday, May 25 at 7:30 p.m. On Friday, May 26, there will be a Solemn High Mass at 6:00 p.m. at Holy Family Church.
