SING TO MARY – JULY 16

After Benediction, let's gather outside!

July 16 is the feast of Our Lady of Mount Carmel. Many people have known the power of her intercession and the grace that comes from being enrolled in her brown scapular. We will pray on July 16 during adoration for an increase in our country of devotion to Mary. God began our salvation with her. God entrusted to her what was most important to Him: His Son. We must entrust imitate God. We must be perfect as our heavenly Father is perfect. We must entrust our most important things to her. In gratitude for all the graces we have received from Mary, we will gather in front of her statue and sing hymns, motets, and songs of praise. Bring an instrument if you wish. Bring friends who to sing to Our Lady who teaches us true humility!

More Ancient Feast of St Vincent de Paul

100 years ago this week, our parish celebrated the first feast of St Vincent in the new church. St Vincent died on September 26, the feast of Saints Cosmas and Damian. When St Vincent was canonized, his birth day into heaven already taken by Saints Cosmas and Damian, our patron's feast was set for July 19. If you are interested in ways to mark this day in a special way, contact Fr Michael (kmichaeleadesjr@gmail.com).

WATERPROOFING AND HUMILITY

- **On July 22**, the waterproofing of the south wall of the church will begin. St Philip Neri, the founder of the Oratorians, whose image is below Mary's statue on the side altar, was born in Florence on July 22. As St John the Apostle was always telling his spiritual children, love one another, love one another, so St Philip was always telling his spiritual children, "Be humble, think little of oneself."
- Like St Philip, St Josemaria Escriva, the founder of Opus Dei, wanted to help lay people to be saints in their own homes, especially, by the sanctification of their daily work. St Josemaria has a striking piece of advice related to humility and foundations of buildings: "Don't wish to be like the gilded weathercock on top of a great building: however much it shines, and however high it stands, it adds nothing to the solidity of the building. Rather be like an old stone block hidden in the foundations, underground, where no one can see you: because of you the house will not fall" (*The Way*, 590).
- We continue to look for more humble donors to help pay for the shoring up of our foundation stones. We have an angel donor who wishes to be anonymous. This angel donor will match all donations for the waterproofing up to 25k! We are looking for humble donors who understand that hidden work and hidden stone hold up beautiful buildings. Would you consider, in honour of Fr Daniel, donating \$70 or \$700 or even \$7000?
