## Feast of St. Vincent de Paul September 27

He had two loves in his life: God and the poor. But the great historian of Christian spirituality, Henri Bremond, is right in this regard when he states that "it was not love for men that led him to sainthood, but rather sainthood, which made him truly and effectively charitable; it was not the poor who gave him to God, but rather God, on the contrary, who gave him to the poor. Anyone who sees him as more of a philanthropist than a mystic, anyone who doesn't see him first and foremost as a mystic, imagines a Saint Vincent de Paul who never existed." -Homily of Pope St. John Paul II, Sunday, Sept. 27, 1987

### Coffee House Schedule
